"Paul Gibbs is a man who loves God and loves to share God's love with others through his music. He is a gifted musician, song writer and recording artist. His songs and recordings have blessed many in personal concerts and on radio and television. He is active in the ministries of Hudson Falls United Methodist Church and real blessing in our faith community. I recommend his ministry." Rev. Dave Lefurgey, Pastor, Hudson Falls United Methodist Church, Hudson Falls, NY

"I have known Paul Gibbs since he was a teenager playing secular music. It has been a blessing and a delight to watch him grow in the Lord Jesus Christ. There is no doubt that the Lord has His hand on Paul and he is now witnessing in a personal and powerful way through his songs, recordings, personal concerts and his radio ministry. Paul recently performed at our church and deeply touched the lives of everyone with his personal witness, warm wit, and personal desire to give all the praise to Jesus Christ. We do certainly recommend his ministry of music and definitely plan on having him come back to the South Granville Congregational Church." Pastor Robert L. Flower.

When the Psalmist said, "Praise the LORD with the lyre; make melody to him with the harp of ten strings," he must have had someone like Paul Gibbs in mind. In every setting that I have seen him, Paul offers God's generous, loving invitation to new life. I can recommend him to you without hesitation or reservation. His ministry will be a blessing to you. Pastor Ralph A. Marino, Shenendehowa United Methodist Church, Clifton Park NY

"Paul Gibbs has provided worship on Sunday mornings for two of my church congregations. His love of the Lord, his quiet voice and musical ability touches hearts and draws the Holy Spirit into the worship setting. Paul is always a welcomed guest. His rendition of classic hymns and contemporary music is a source of comfort and peace to any audience." The Rev. Patricia Girard, Pastor, Trinity United Methodist Church of Wilton

"Paul has shared his musical gifts with our congregation on many occasions, both during worship services and at special events he has hosted at our church. His music is easy to listen to, and has uplifted us as we seek to draw closer to God. Paul radiates an honest, gentle spirit as he ministers to us in song. His faith is transparent and solid, and aims to draw the listener into a closer relationship with Jesus. Paul's many gifts are a testimony to his love for the Lord, and his desire to share this love with the people around him. We have been uplifted and blessed through Paul's friendship and his desire to bring praise to Christ." Rev. Scott M. Smith Pastor, First Baptist Church, Hudson Falls, New York
